IGH DOC Monthly Updates Apr 2016

IGH Training Updates:

Team Training has continued and Marilu was able to secure some outside turf space at the High School for the month of April.

Teams have received their training schedules and fields will be open May 1st 2016 weather permitting.

IGH Teams Updates:

All 19 IGH teams now have coaches and managers, thanks to everyone for their help and support.

I will continue to train the following teams until their coaches returns from college which will be May 14th 2016:

U901 Boys

U1001 Boys

I will be also assisting Mark Lehman and the U11C3 Boys on the odd occasion due to his school schedule. Many if not all of our 19 team rosters are full. We have had a large surge of players requesting to play the last few months. Jon can update a true number but we may be over 300 + players this year.

IGH Coaching Updates:

Marilu S and Jared B have stepped up to coach the U902 Girls team after their volunteer coach was unable to continue due to increasing work commitments.

Communications have gone out to the parent group and Dan B has scheduled a team meeting with the team just to keep the parents informed.

Kim W has also stepped in to coach the U12C3 girls. Both U12C2 and C3 girl's teams have been practicing together and Dan B has been able to assist when needed. We we're also able to get a new player signed up for the U12C3 team putting the roster at 9. The U11C2 team and U11C3 teams have also showed an interest in helping with players if the U12C3 team needs some extra players. Dan B scheduled a team meeting with the team just to keep the parents informed as we transitioned.

IGH Team Training Updates:

Training times for my Camps and clinics have been set up and were ready for a May 2016 start.

Each Team will receive 1.5hrs Shooting practice/training. Training Days are Friday Nights and Saturday Mornings through June 18th 2016. All teams have signed up and were looking forward to some enjoyable sessions.

Ari and Nathan will begin their GK training sessions in May. We had great feedback from last year and we're hoping that both of them can get to see the teams as often as their schedules allow. IGH Teams will be able to take advantage of a 2-hour training session with Ari or Nathan which the club will pay for. Anything above and beyond that the team will be responsible for.

Further Update Team formation dates and time are being worked on and our Age Mandate meeting will be scheduled shortly. Our hope is to have two town hall meeting sessions to help answer questions on the new format

Waivers for Try-Outs need to be approved by the JULY Board meeting!

Waivers must all get to us before that!
